24V AC 4A Power supply
With one 4A output

This simple range of multipurpose power supplies is available metal cased or within an IP66 weather resistant enclosure. They provide 4A of 24V AC via individually fused outputs.

Manufactured and tested in Britain, this range of power supplies has a five year warranty, allowing installers to fit and forget. It is ideal for where high reliability is required and where companies may have service or maintenance contracts for long periods of time.

Typical uses include powering CCTV cameras and camera housing heaters.
