

INSULATED SCREWDRIVER

4.0x100 mm SLOTTED (VDE)

ADI
PRO

This ADI Pro 1000V insulated screwdriver is the perfect addition to the professional installer's tool kit. The screwdriver is VDE approved, meaning that it has been thoroughly tested and certified, giving you the confidence needed when working on live wires up to 1000 V. The screwdriver features a smooth, ergonomic handle, making this hand tool comfortable to use for extended periods of time.

WBXSC4.0/100SLVDE

FEATURES

VDE approved, suitable for live working up to 1000V AC or 1500V DC

Chrome Vanadium Molybdenum steel blade

Phosphate coated tip for increased friction on fixings, reducing the risk of rounding or damaging the screws

Ergonomic soft-grip handle & premium-quality plastic for a comfortable grip

Individually tested as per DIN EN 60900: 2018 norm
