STANDARD ARM (For use with EMF)

- Finish: Silver **Part No. 22002401**

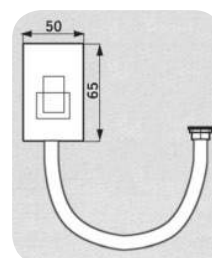

FREE SWING ARM (For use with EMF)

- Finish: Silver **Part No. 53000501**
Satin Stainless Steel **Part No. 4053000505**
Polished Chrome **Part No. 4053000504**
Polished Brass **Part No. 4053000506**
- Feature: Allows a fire door to operate freely, so that the door can be left ajar. However in the event of the fire alarm sounding (or a power failure) the magnet is released and the door closer will close the fire door securely. Particularly suitable for use in sheltered housing where residents wish to leave their doors open.

BOX AND CABLE

- Type: Standard Distribution **Part No. 9900053001300**
2 Pin Plug Box & Cable (320mm)
1m Extension Cable **Part No. 53001000**
2 Pin Plug (cut to size on site)
- For use with: TS73 EMF

POWER SUPPLY UNIT (With Removable Relay Switch)

- Type: Power supply unit **Part No. 4060100058R**
- Mains Supply: 230V AC
- Mains Fuse: 290mA
- Total Load Current: 2A max
- Output: 24V DC
- Up to 8 single or 16 double units (24V DC) can be connected
8 separate fused outputs

DORMA CONCEALED CAM ACTION DOOR CLOSERS

ITS96

ITS96 EN2-4 (Body only)

- Spring Strength: EN 2-4 **Part No. 52430150**
- Max. Door Width: 1100mm
- Features: Adjustable sweep speed
Adjustable latching speed
NOT suitable for outward opening external doors
- CE marked
- Successful independently tested to BS EN 1154
- CERTIFIRE approved for fire doors: ITT60 MM/IMM240
- For additional BS8300/ADM compliance: EN 2-4 min fire door width 733mm

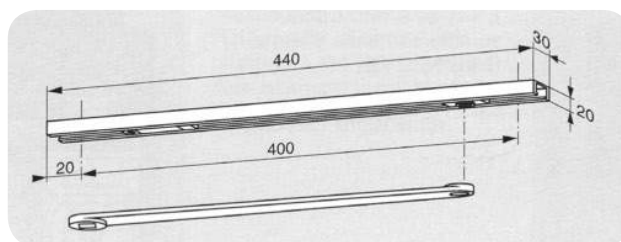

ITS96 EN3-6 (Body only)

- Spring Strength: EN 3-6 **Part No. 52290150**
- Max. Door Width: 1400mm
- Features: Adjustable sweep speed
Adjustable latching speed
NOT suitable for outward opening external doors
- CE marked
- Successful independently tested to BS EN 1154
- CERTIFIRE approved for fire doors: ITT60 MM/IMM240
- For additional BS8300/ADM compliance: EN 3-6 min fire door width 867mm

- Notes: Double action kits available. Please ask for details

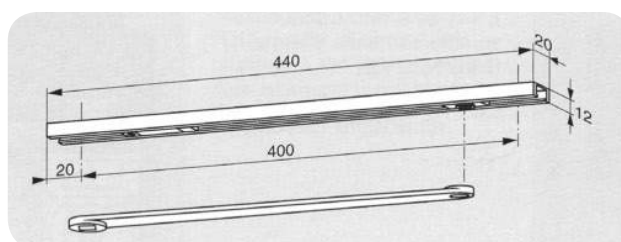

G96N SLIDE ARM & CHANNEL

- Finish: Silver Part No. 52000501
Satin Stainless Steel Part No. 4052000515
Polished Chrome Part No. 4052000514
Polished Brass Part No. 4052000516
- For use with: ITS96

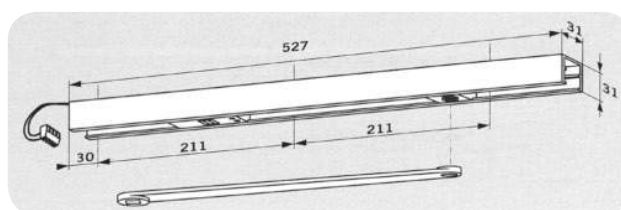

G96-N20 SLIDE ARM & CHANNEL

- Finish: Silver Left hand Part No. 52003701
Silver Right hand Part No. 52003801
- For use with: ITS96

G-96 EMF SLIDE ARM & CHANNEL

- Finish: Silver Left Hand Part No. 52001501
Silver Right Hand Part No. 52001601
- For use with: ITS96
- Features: Allows a fire door to be held open electro-mechanically to provide free flow of traffic. However in the event of the fire alarm sounding (or a power failure) the magnet is released and the door closer will close the fire door securely
