

CDV-47

2-Wire Indoor Monitor

CDVI Group Products

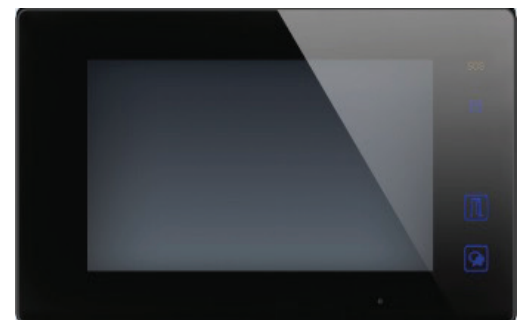

Range: 2-Easy

The CDV-47 is a 2-wire, 7-inch digital colour, TFT monitor with touch screen and picture/video memory.

The new stylish design has many more added functions such as SOS SMS to mobile phone via GSM, room to room intercom, call divert and also a 800 x 480 pixels high resolution.

The modern styling suits all environments and is compatible with all CDVI door stations.

The 2EASY system from CDVI offer convenient and high quality video entry. Connection throughout is 2-wire, non polarised, so installation and maintenance is simple and straightforward.

Black housing is standard; white optional
