

# STUBBY SCREWDRIVER

## PH1x25 mm Phillips Screwdriver

This ADI Pro stubby screwdriver is the perfect addition to the professional installer’s tool kit. Its stubby design makes the screwdriver ideal for use in environments and applications with minimal space. The screwdriver features a smooth, ergonomic handle, making this hand tool comfortable to use for extended periods of time.

**WBXSC1.0/25PH**

### FEATURES

Stubby design perfect for use in environments with limited space

Chrome Vanadium Molybdenum steel blade

Matt Chrome finish for excellent corrosion resistance

Phosphate coated tip for increased friction on fixings, reducing the risk of rounding or damaging the screws

Ergonomic soft-grip handle & premium-quality plastic for a comfortable grip
