Product Spec Sheet

13.8vdc Din Rail PSU

13.8vdc, Din Rail Power Supply with battery backup. Additional features include mains fail and low battery outputs.

FEATURES

Input Voltage Range: 90~264vac
DC Voltage: 13.8v
Output Current: 3A
Battery charging current: 0.5A
Number of outputs: 1
Mains fail output relay
Low battery output relay
1 pair of 180mm Battery Leads included

UT-PSU-12-3-DIN

Product Code	UT-PSU-12-3-DIN
UPC	840049312029
Height	90mm
Width	40mm
Depth	100mm
Weight	0.25kg

Warranty 3 Years
