# The Power of ONE
Bringing video and access control together...
1 IP network – 1 user interface – 1 licence – 1 design tool – 1 point of support

The power of
ONE
goes **beyond**
video

... so you can leverage several benefits:

Visually verify who enters your premises	Assist visitors remotely	Enforce access rules	Simplify your investigations	Save time with guaranteed compatibility	Scale as you need

Video surveillance

Access control

Cameras

Radars

Speakers and microphones

Strobe siren

AXIS Camera Station

Credential readers

Door controllers

Intercoms

Credentials

RFID card   PIN code   Key fob   QR code   Licence plate

EU ABC 123

Designed by Axis and delivered to you by ADI
